Michael Callejas is a very successful businessman. He is currently a 3-Star Diamond Director, Growth 25, Fortune 100 member and an Elite bonus winner.

Before USANA, Michael was working long hours and knew it wasn't the life he had dreamt of. Just working to "survive," Michael really didn't know what the next 10 years of his life would consist of but he knew he wanted more so he joined USANA and has never looked back.

During this training Michael will share his story and tips for success and his in-depth industry knowledge, including business trends you can't ignore. He will cover the following topics:

1. **Getting your new Associates started right:**
The key principles to creating a successful new business partner.
2. **Prospecting & Inviting:** *Mastering these core skills is key to success in MLM.*
3. **Overcoming objections:** *How to effectively manage and turn around objections from your prospects AND your team.*
4. **Building your business through challenges:**
How to continue to grow through the hurdles life throws us.
5. **How to earn money fast:** *What are the skills and actions required to see cash flow early.*
